Announcements

President Jonathan reminded us of the Rotary Day at the Races on March 14.

Last Week's Program – The District and Club Database

President Jonathan, with the assistance of Carole and Ray, gave us the insight about how to use www.DaCdb.com, the district and club database.

Demonstrating the site, Jonathan showed us how to enter our own data and said that 50% of the clubs and districts in the U.S. are using the program; about 10% on the international front.

Jonathan pointed out that our Password is the RI membership number, found on our membership card or on the Rotarian magazine.

Looking at the screen, after accessing the site, one should look for the tab "My Club" from there, one can event cut and paste to give guests information about our club's meetings.

Committee reports, club reports and donations can all be communicated through this medium. It's also possible to drag and drop the site on one's computer screen to make a shortcut.

In the future, it's expected we will be able to pay dues on the site.

Here is some information from the dacdb website:

To log into [your district or club database](#), just click the link. And then just key-in your *UserName* and *PassWord* to access your district or club's database records.

The **District and Club database** now has something for *everyone*: **Members, Clubs, and District Officers!**

Members are encouraged to [sign-on](#) and update their own data (name, address, phone, [e-mail](#), business data, their [photo](#) and spouse's information). And, members can view (or print) their [club's membership directory](#) (with member photos) in just a couple of clicks.

Club secretaries are able to [submit their Monthly Attendance data](#) (and new for July 1, 2008, they can now submit their attendance [WEEKLY](#)), update their [club's location and meeting times](#), maintain their [membership roster](#) (new members, changes, and terminations), and [print name badges](#) or [club directories \(with member photos\)](#), or [e-mail ALL members](#) in your club, in just a couple of clicks. And print a Rotary Foundation [transmittal report](#) for your annual giving and sustaining member contributions. In addition, [clubs can publish their meetings, events, and fund raisers in the on-line calendar](#), with district-wide distribution.
