They are putting the refinished Falcon on a pedestal and adding landscaping. This Eagle Scout project is being documented and gives the Scouts leadership experience. Last Week's Program – Long Range planning for our Club

Carole Owenby recognized our incoming Immediate Past President, **Jonathan Skinner** and bid farewell to **Ray Kingsbury** who will be leaving the board along with **Julie Linn**, **Gus Evans** and **Don Gage**. Directors for 2009-2011 are **Pat Bauer**, **Bev Fisher** and **Kristin Howard**. Carole stressed the importance of considering the future of our club and thinking about our individual responsibilities in making it a success. Checking the list of committee assignments is an important first step. Check the list and make certain that contact

information is correct. Long Range Planning is necessary to envision our future by considering questions such as: What do we want our Rotary Club to be? How do we gain more members? What do we need to do for our community and our world? Are we fulfilling our obligations? Where are we now? Where do we need to be? On July 21 is a club assembly and each committee should meet and have written goals and action steps ready to present. **Sally Trotter** of Inner Wheel has been invited to come to the July 21st meeting. District Governor **Cliff Snedecker** will be visiting at our July 7th meeting and would like to know what we'll be up to next year, so goals should be ready by then. Carole also urged us to speak to club members and make everyone feel welcome. Jonathan thanked Carole and reiterated that we have unique challenges with membership at around 65-66. Jonathan pledged his support to Carole and urged all members to reach out to people who are potential members.
